

CAMERADOS

Do you like the thought of people looking out for other people?

People just being alongside each other - No fixing needed?
And understand that we can all be a bit rubbish sometimes?

If it's a YES join this crowd for a bit of **PARK LIFE**... you know you'll feel better afterwards!

Just bring something to sit on, maybe a flask and something to eat and get ready to be together.

BE A CAMERADO

A movement of people who believe in looking out for each other.

Please follow current Government Guidelines on ^{PHYSICAL} social distancing
